S i r :

It has come to our attention that page 4, lines 15-17 of the April 9, 2003 response refers to Exhibit C as "a copy of a poster relating to the involvement of cytokines in psoriasis and cancer." However, on page 4, line 1, Exhibit C is identified as a list of 25 patents reciting "disease mediated."

Accordingly, please consider the exhibit referred to at page 4, lines 15-17 to be Exhibit D, a copy of which is enclosed herewith.

Also, we take this opportunity to furnish an expert declaration which discusses the involvement of cytokines in psoriasis and cancer, referring, *inter alia*, to Exhibit D.

Respectfully submitted,
